**8. Driving License:** In the case that driving license in driver's possession is not recognized in the Kingdom of Thailand, it is in responsibility of travel agency to facilitate the provisional driving license application on the date of entry. The process will be carried out either at the Provincial Land Transport Office or branch office that is located within the same province as boundary post.

The driver must also bring the following documents.

- 1) Passport with no less than 6 months of validity
- 2) Proof of accommodation during the driver's stay in Thailand certified by tourism business
- 3) A medical certificate stating that the driver is not a person with any disease that can threaten ability to drive safely or a person of unsound mind or mentally infirmity. The certificate must be issued and certified by Thai physician within 1 month before the date of entry.
- 4) A valid driving license of the same type as the one in application issued by the foreign government together with Thai or English translation certified by the competent authority

Aside from submitting the required documents, the driver must go through these following procedures:

- 5) Take the physical test
- 6) Attend 1 hour of instruction session
- 7) Pay the fee and collect the driving license. The fee includes:
  - a. Temporary driving license for car 205 THB
  - b. Photography service and plastic card printing 100 THB

## 9. Condition for vehicle owner and driver

- 1) Must carry driving license that is recognized in Thailand.
- 2) Place the temporary permit in the vehicle where it is visible at all times.
- 3) Use only the permitted vehicle solely in the province specified in the temporary permit.
- 4) Must carry vehicle registration certificate together with its Thai or English translation.
- 5) Must carry proof of motor vehicle insurance according to 4 (9)
- 6) The vehicle must leave the Kingdom by the end of the permission period except in the case of emergency or unexpected circumstance.
- 7) The vehicle must enter and exit the Kingdom through boundary post of the same province.
- 8) Abide by the law.

**10. Responsibility of travel agency** is to supervise and facilitate vehicle owner or driver in upholding strictly to the conditions. If any violation occurs, travel agency must take responsibility. In addition, the tourism business agency will be recorded in Blacklist database.

**11. The person that commits violation** must receive punishment as stated by the law. The person will also be recorded in Blacklist database.

**12. Other necessary case that does not qualify by this notification will be considered on a case-by-case basis.** It is up to Planning Division of Department of Land Transport to consider giving the permission for vehicles aside from those stated in 1 or relaxing certain condition stated in 9 for specific entry. The application for such case must be submitted no less than 30 working days prior to the date of entry through travel agency along with two additional documents aside from those stated in 4 as follow:

- 1) Letter to Director-general of Thailand Department of Land Transport stating the necessity of using vehicle within the Kingdom of Thailand. The letter must be issued and certified by Ministry of Foreign Affairs of the country to which the vehicle is registered or other competent authority assigned by Ministry of Foreign Affairs.
- 2) Letter by the travel agency verifying its full responsibility in managing and supervising tourists to follow Department of Land Transport's condition.
